

RADIANT X

The Sensio Radiant X LED strip light is a high-performance solution that delivers a completely uniform line of light, with no visible LED dots and no need for a profile or diffuser cover. Flexible and bendable around corners, it is available in warm, natural and cool white, making it suitable for both traditional and contemporary bathroom designs.

It offers excellent light output, high lumens-per-watt efficacy, and a CRI of >90. It can be surface-mounted or recessed and is cut-free, allowing it to be cut to the required length. End caps must be fitted after cutting to maintain the IP rating.

BENEFITS

- Higher brightness, efficiency and eco-friendly
- No waste (Cutttable at any length)
- Longer lifespan and reliability
- More flexibility and versatility

KEY FEATURES

- Dimmable
- Higher light density
- High lumens per watt
- High colour rendering index: >90
- Available in warm, natural and cool white

TECHNICAL SPECIFICATION

Wattage	4.8W/m
Voltage	24V
Lumens (Light output)	540 lm/m
Colour temperature	Warm white: 3000K
	Natural white: 4000K
	Cool white: 6000K
Beam angle	110°
No. LEDs per meter	140
Colour rendering index	>90
Connector	2.5m at each end
Operating temperature	-30°C to +45°C
