

SERENO (LITHIUM-ION BATTERY CABINET)

The Sereno battery-powered cabinet features patented EVO+ lithium-ion rechargeable battery technology, exclusive to Sensio. Designed in the UK, it uses advanced technology to make everyday life simpler and more convenient. Delivering reliable, high-performance illumination, it removes the need for constant battery replacement, helping to save money and reduce waste.

The Sereno range uses LED lighting for efficient, long-lasting performance. Installation is straightforward: fix the bracket with screws and insert the battery. With no cables to run into the wall, it is well suited to bathrooms where a wired installation is not practical.

BENEFITS

- Flexibility, convenience and energy efficiency
- Easy to use and install (No need for an Electrician)
- Portable and Rechargeable Lithium-ion battery
- Longer Life Span (Use LED technology in combination with Lithium-ion batteries)

KEY FEATURES

- Suitable for retrofitting
- Three times brighter than the Average AA battery mirror
- Adjustable glass shelves for flexible storage.
- No wiring required for quick and easy installation
- IP44 rated for safe use in bathroom environments.

TECHNICAL SPECIFICATION

Battery voltage	10.95V
Battery type	Lithium-Ion
Battery capacity	5000mAh
Charging port	USB-C
Charge time	4 hours
Battery duration	>2month (based on 15min usage per day)
Colour temperature	Natural white: 4000K
Operating temperature	5°C to 45°C
Cabinet Wattage	5W

PRODUCT NAME	ORDER CODE	BARCODE
Sereno - D1 - 500x700 - Natural White	SE00064	5060861243348
Sereno - D2 - 600x700 - Natural White	SE00066	5060861243355

MECHANICAL SPECIFICATION
